

You're Invited To A Presentation On The Pennsylvania Budget Battles - And What They Mean To You!

Please join us as industry experts analyze the impact of the new proposals for PA's budget, as well as what is here to stay. Whether the budget is still being debated or has been passed, these presentations will provide some clarity around the issues. Additionally, the Pension Reform will be addressed – including issues and some possible solutions.

Date: Tuesday, November 17, 2015
